

1st ANNOUCEMENT

Dec 10 - 14, 2018
Chulalongkorn University,
Bangkok, THAILAND

International Symposium on Catalysis and Fine Chemicals 2018

Topics of Abstract

- Selective catalytic reaction for synthesis of fine chemicals.
- New synthetic strategy, and chemical processes.
- Green & sustainable catalytic processes, and reaction media.
- Enhanced atom utilization.
- Precise olefin polymerization.
- Industrial catalytic processes.

Important Dates

Deadline for Abstract/Paper Submission	31 Jul 2018
Notification of Abstract/Paper Acceptance	15 Sep 2018
